INTernational

(A) Broad-Minded Engineers
A Leading School of Engineering in Marseille
Exchange programs within Engineering program

Check Centrale Marseille website for latest information and details about programs. Students are strongly advised to contact the International Mobility Office to discuss available courses prior to application or if they have any other questions.

Double degree program

(Application deadline: 1st of May)
Two years out of three in the engineering program leading to the national Master Degree in Engineering (in French: Diplôme d'Ingénieur).

One semester exchange during 8th or 9th semester (Master level)

Semester 8 (February to June or July-August in case of internship)
(Application deadline: 1st of December)
- Bio-engineering
- Dynamics, Mutation and Crises
- Sustainable Energy
- Environment and Sustainable Development
- Information Science and Digital Society.

Semester 9 (September to March)
(Application deadline: 1st of May)
- Chemistry and Chemical Engineering
- Photonics and Innovative Systems
- Mechanical Engineering
- Mathematics, Management, Economics and Finance
- Organizations, Mathematics and Computer Science for Society (subject to change in September 2018)
- Signals, Images and Communications.

Research placements

Three to six months research projects.

Centrale Marseille

Centrale Marseille is a ‘Grande Ecole d'Ingénieurs’ (graduate school in engineering).
Its mission is to train top-rank engineer – managers,
- with a strong scientific background in a wide range of disciplines,
- with an international perspective and highly developed managerial and entrepreneurial skills or technical expertise,
- capable of managing multidisciplinary teams and of anticipating and adapting to technological and environmental change.
Exchange programs (credit seeking students only)

Joint Masters École Centrale de Marseille/Aix-Marseille University
- Applied Mathematics
- Optics and Photonics
- Signal Processing
- Finance and Insurance
- Mechanical Engineering and Mechanics.

Introduction week at Centrale Marseille
Intensive French language courses, social events and help to settle down.

Student Life at Centrale Marseille
Student clubs are part of the student experience: International Students, Engineers without Borders, Sports & Sailing, Arts among others.

Marseille
- 300 sunny days per year
- Second largest city in France (870 000 inhabitants)
- Beautiful region Provence-Alpes-Côte d’Azur with cities such as Arles, Aix-en-Provence, Avignon and Nice
- Marseille-Marignane Airport, 3rd largest French airport serving 26 countries
- High-speed train destinations from Marseille: Lyon (1h30), Paris (3h), Barcelona (5h), Madrid and many others.
